

TASTE THE DIFFERENCE

TONNINO

ALBACORE MADE DIFFERENT

Our tuna is cooked on the bone, which means our fish is higher in Omega 3s and protein. This whole-fish cooking method is healthier because it allows for more meat and nutrients.

DID YOU KNOW?

ALBACORE - caught in temperate waters, albacore is white meat with a mild flavor.

TASTY, HEALTHY, PLANET-FRIENDLY.

Pole & Line Albacore

The sustainable age-old fishing method of catching fish one by one.
